PGC'S FOUNDERS' FUNDAMENTAL BELIEFS

PGC's Founders have very strong beliefs – THE PRIMARY BELIEFS CENTER ON:

— SUBJECT TO SOLID EXPLANATIONS —

- The Holocaust being misunderstood and cannot remain so for reasons to be presented.
- The Holocaust is umbilically connected to Totalitarian (mindsets/cults) regimes of Fascist and Socialist Revolutionary Deterministic convictions.
- The Holocaust has left, in its wake, an enormous intellectual refuse in need of extensive cleaning.
- Israel, rising from the Holocaust ashes, has, and is likely to continue to provide, an anchor for Jewish determined efforts to never again be helpless victims.

Only a Tsunami of historically accurately presented heroic acts of courage and honor can adequately produce a counterbalance to the cyclones of atrocities committed by the Nazi inflicted Holocaust. The aftermath is still smoldering (as long as Totalitarians are appeased) and the Education, Psychiatric and Eugenics cartels and plain old very large crime cartels (among other culprits) have victories.

CHANGING TO A NEW JEWISH NARRATIVE
RE HOLOCAUST MUST OCCUR SWIFTLY.
